

# SAFETY WITH KNIVES

Some easy *Do's* & *Don'ts*

**Do !**

- ✓ Store knives properly in racks or knife sheaths.
- ✓ Carry knives with the cutting edge slightly away from your body.
- ✓ Keep knives sharpened and let other staff know when knives are newly sharpened.
- ✓ Use a knife only for its intended purpose.
- ✓ Use the appropriate knife for the job.

**Don't !**

- ⊗ Talk to people while using a knife.
- ⊗ Hand a knife to someone. Put it down on the counter and let them pick it up.
- ⊗ Leave a knife soaking in a sink of water.
- ⊗ Try and catch a falling knife, let it fall.
- ⊗ Touch knife blades.
